

Eclipse Ignite: Launch Your Business with Precision

Powered by Eclipse Scheduling

Eclipse Scheduling is excited to announce the launch of a new program, Eclipse Ignite, designed to help aspiring and emerging entrepreneurs take their service provider-based businesses to new heights.

What is Eclipse Ignite

Eclipse Ignite is a virtual accelerator program that equips attendees with the tools, knowledge, and mentorship necessary to launch and run a competitive business. In addition, participants will learn to effectively utilize industry-leading technology to manage their service scheduling, finances, and logistics.

Who is a good fit for Eclipse Ignite

Eclipse Ignite is designed for early-stage service startups that are looking to rapidly grow their business. Our program is ideal for passionate entrepreneurs who are committed to their ideas and are ready to take their startups to the next level. We are looking for startups that have a viable product or service, a strong team, and a clear understanding of their target market. If you are looking for hands-on mentorship, customized support, and access to a vast network of peers and industry experts, Eclipse Ignite may be the place for you.

- Early-stage service startups with innovative ideas and high-growth potential
- Entrepreneurs who are passionate, driven, and willing to learn and adapt
- Startups with a clear vision and understanding of their target market
- Entrepreneurs that are open to feedback and willing to pivot their strategy if necessary
- Startups that are interested in utilizing industry-leading technology to streamline their operations and achieve growth

Program Details

This virtual program runs for 10 consecutive weeks in a virtual classroom setting led by keynote speakers, industry experts, and Eclipse Scheduling team members. Cohorts will consist of between 10-12 participants, allowing for personalized attention and support. Additionally, participants will regularly meet with their virtual peer support group and one-on-one with the accelerator instructor setting to discuss their progress and share insights. Attendees will also receive hands-on training and demonstrations of how Eclipse Scheduling can support their business's continued growth.

Program Dates & Times

The first Eclipse Ignite program is set to launch in August 2023. The team at Eclipse Scheduling will soon be announcing specific dates and times for the program. Sessions will be scheduled during evening hours to permit founders to continue any daytime commitments.

Benefits

By participating in Eclipse Ignite, emerging entrepreneurs can gain the knowledge, skills, and mentorship needed to start and grow their businesses. Attendees will have the opportunity to learn from industry experts, network with peers, and receive ongoing support and resources from Eclipse Scheduling.

The program provides a unique opportunity for participants to save time, resources, and frustration by learning how to effectively launch their service provider-based business directly from business experts and professionals. The inclusion of a complimentary one-year Launch Subscription to Eclipse Scheduling's all-in-one platform will help attendees streamline their operations and scale their business after graduating from the program.

Cost

Participation in Eclipse Ignite is only \$2,500 per attendee, which includes admission to all virtual classes, one-on-one meetings, and peer group sessions. Participants also receive a one-year Launch Subscription for Eclipse Scheduling's all-in-one software to help them get started with the platform (\$1,200 Value). Eclipse offers 2 scholarships: 1.) for historically underrepresented entrepreneurs, and 2.) for businesses focused on serving historically underserved populations. To see if you qualify and to apply for a scholarship, review our scholarship application.
